MEMORANDUM FOR THE RECORD:

The Director returned a telephone call from Senator Saltonstall at 5:00 p.m. The Senator remarked that he had seen a photograph of the Director in "Life" taken when he was in Texas.

The Senator said the purpose of his call was to request that sometime when the Director was down his way, he would like to be brought up to date; also he thought Senator Richard Russell would like the same. He asked the Director to call Senator Russell to inquire if he would like to receive a briefing, and to let Senator Saltonstall know the outcome. Even if Senator Russell did not want a briefing, Sen. Saltonstall said he would like one.

Senator Saltonstall then said perhaps this could be done at his house. The Director said he would be delighted; that he would call Sen. Russell and would then advise Sen. Saltonstall of the outcome.
